

Kinross Junior Curling Club Team 1

Left to Right:

Rory Stevenson (Lead); Calum Stewart (Third); Cameron Lindsay (Second);
Finlay Rutherford (Skip)

Finlay (13) threw his first curling stone when he was 5; he is a third generation curler. As well as Kinross Juniors, he also plays for Auchterarder Curling Club in the Upper Strathearn Province, Glenfarg in the Loch Leven Province and Perth Ice Rink. He is the current Asham Under 14 Series Champion, skipping the team that also included Rory. Outside of curling, Finlay plays guitar and violin in several orchestras and bands. His other favourite winter pastime is skiing and in the summer he is a member of his local golf and tennis clubs.

Calum (17) is the eldest member of the team, his younger brother Rhys is also a member of our club, and his dad has recently tried his hand too which is fantastic. Outside of curling Calum is keen on water sports: paddle boarding and kayaking being his top two. He is also very interested in the mechanics of cars, racing and car manufacturers, and he dreams of going to a Formula 1 race. Having just turned 17 he is learning to drive himself. Calum has been scouting since he was 6 and is now an Explorer Scout, something he loves to do. At home, he relaxes by gaming and he loves his two Siamese cats Casper and Cleo.

Cameron (14). Cameron's other main hobby is golf and he swaps the brush for his clubs at the end of the curling season, playing at his local club in Ladybank, Fife. He is the family "Dr Dolittle" and enjoys time with the many pets he has had over the years including fish, dogs, cats, chickens and stick insects. They have had many varied and themed names, though his favourite was his white cat called "Dave"!! The X-box is the go-to activity in his spare time but he can also be found in the gym, playing pool or still even sometimes tinkling a tune on the piano. Cameron is currently President of Kinross Junior Curling Club and also plays for Forret and Airleywight at Perth Ice Rink.

Rory (13) is the youngest member of the team, his dad Robbie is a very keen curler, as is his gran. When not on the ice Rory likes nothing more than helping out his dad with the work on their farm, quad biking and playing golf.
